ABOUT US

As a new student at Crown College, it won't take long to discover what makes us special — we're an outstanding group of faculty and staff who truly care about our students. Ranked by MONEY Magazine, Christian Universities Online, and U.S. News & World Report, Crown is a fully accredited college that offers quality academics, convenient online options, and a distinctly Christian environment.

PSEO OPTIONS

Crown is excited to offer Post-Secondary Enrollment Options (PSEO) to qualified students. This program permits students to earn college credit, which may be applied to a degree program at Crown or transferred to another institution. Students take classes in a South Heights classroom and/or online with other PSEO students. The courses are taught by Crown's credentialed faculty members and some partner with a South Heights teacher. The courses have a low student to instructor ratio and are offered in a 15-week format. All PSEO students are supported by a dedicated PSEO academic advisor.
